Continuing CMC to April 18 is fine with us. I will change the Stip over the weekend.

Adam:

I have a call in to the calendar clerk to see if the 18th is available. If we don't hear back from her this afternoon, we will go ahead and file with that date as the requested one.

Grant also would like the stipulation to include a request for a continuance of the Further CMC, which is set for March 21, 2008, to the same date as the hearing on your motion, so that he will not have to incur the expense of traveling up to San Jose twice in a short period of time. Is that alright with you? If so, could you revise the stipulation to that effect?

Thanks,

Dana Butler

The proposed continuance is fine with us. However, I want to set a specific date for the hearing. As such, see attached stipulation.

Dear Mr. Wang,

We are planning to file a motion to continue the hearing date on your motion for Hoffman-La Roche Notice, because Grant Carlson is on vacation the week that the hearing is scheduled. A draft of the motion is attached hereto. Please let us know by tomorrow at 4 p.m. if you will stipulate to continue the hearing date.

Thank you.
